Answer:

- Everything in Bible has a Predominance
- As you could see from above verses, Wisdom is THE PRINCIPAL THING
- Which clearly says Compared to all Books in the Bible, Proverbs should be our PRINCIPAL BOOK
- That gets confirmed by having exactly 31 Chapters = 31 Prominent days in a month
- That we “**should be reading one Chapter in Proverbs each day**” (for us to keep on Growing as Jesus grew in Wisdom as per Luke 2:52)
- Finally, Wisdom Comes from Heaven and Jesus is our Wisdom

We SHOULD BE READING ONE CHAPTER in PROVERBS Each Day Sequentially.
