

Failure of Old Covenant

March 31, 2014

- Wrong with the First Covenant
- First one Obsolete (out of use)
- For Disappearance
- To be Dispensed with altogether

That's the Reason for the the introduction of the New Covenant (That's why we have New Testament)

Hebrews 8:7-8

New International Version (NIV)

7 For if there had been nothing **wrong with that first covenant**, no place would have been sought for another. 8 But God found fault with the people and said:

"The days are coming, declares the Lord,
when I will make a new covenant
with the people of Israel
and with the people of Judah.

Hebrews 8:13

Amplified Bible (AMP)

13 When God speaks of a new [covenant or agreement], He makes the **first one obsolete (out of use)**. And what is obsolete (out of use and annulled because of age) is ripe **for disappearance and to be dispensed with altogether**.
