

David and Solomon a type of Christ

February 11, 2015

David is a type of Christ when Jesus Christ was on earth

- David killed Goliath
- Jesus defeated satan

- David was rejected by his brethren
- Then David went back to His father
- So now, we are still on the days of Davids wanderings
- Jesus was rejected by Jews
- Jesus went back to His Father

- David was hidden from Israel even though He is the rightful king
- "Bring forth the kings sons"
- Judah welcomed David back
- Jesus was waiting for His coronation
- Finally Israel will welcome Jesus.
- "I am also a Jew"

- Davids rules was rejected king, He was rejected by His own
- Thats the time we are in. For 2000 years the Greatest Son of David (Jesus) was rejected
- All those who identified with Him in His rejection, All those who come to Him in this time, All those adulum cave with Him,

- Because you were with me, you will be my mighty men
- when i rule, you will rule with me
- There will be a time when the mighty men will no longer running and wondering. They will be ruling from the palace. So that time is coming

Solomon is a type of Christ after He returns

- The millennium begins
- The Golden era of Israel was Solomons rule
