

Equal access through Jesus blood

July 7, 2015

Equal access to every child of God

- for the Fathers ear
- Every prayer of a child of God enters in to the Holy of Holies

Because

- Same blood which removed our sins tore the wail, for us to come in boldly
- Wail was torn from top to bottom because, its God who tore the wail

Having High Priests access

- In the Old Testament, only High Priests are allowed inside the Holy of Holies.
