Presence of Jesus

- Presence is what makes us a success
- We don't need to be eloquent, we just need the Presence.

Example

- When you pray for a person, stop for a while
- Worship the Lord, say few words and Know His Presence
- When you are by a sick person, When His presence is sensed, faith is released,
- you don't even need to ask, the sick person will be healed

Feel His Presence

- Jesus told that He will never leave us or forsake us.

Sense His presence anywhere

- We can sense His presence where we are because there is no distance in the spirit.

Solomon Story

- Solomon went to the Mount Gibeon, where Tabernacle of Moses was located
- There was no Presence of God, because the arc of covenant was not there
- Arc: Symbol of Gods Presence
- Solomon gave 1000 burnt offering
- On that night Solomon received wisdom
- First sign of receiving wisdom, Solomon straight went to Zion and he worshiped before the arc

- Solomon became to cherish the Presence
