

Financial Rescue - Learning to Prosper from God's Word

September 22, 2023

- The teaching on financial rescue and prosperity, drawing from Biblical principles to provide practical advice.

The Pitfalls to Avoid

- The love of money, not money itself, is the root of evil (1 Timothy 6:10)
- Most problems can be traced to money issues. Financial abundance can help solve many problems
- Borrowing is risky, goes against God's principles, and often leads to loss (Deuteronomy 15:6)
- Dishonesty also leads to financial troubles, integrity is key (Deuteronomy 28:1-2)

Cultivating Abundance

- Prosperity is hidden in our gifts and talents, cultivate your gifts (Matthew 25:14-30)
- Sowing seeds in God's work brings spiritual and financial harvest (2 Corinthians 9:10)
- We must adopt the mindset of a giver not just a receiver (2 Corinthians 9:6-8)

Seizing Breakthrough

- Moments and opportunities contain wealth, be spiritually attentive (Ecclesiastes 9:11)
- God wants to rescue and bless us financially as we follow His principles (Philippians 4:19)

Conclusion

- God has amazing financial rescue for those who apply His wisdom
- We must remove ungodly financial habits and embrace Kingdom principles
- Lean on Christ, not worldly systems, and abundance will come
- God delights in rescuing us from lack into overflow
- Mortgage is against God's principles.
