

Ezekiel’s Open Heavens: How Spiritual Time Travel Reveals the Root of Every Problem

Ezekiel’s Open Heavens — Spiritual Time Travel and the Root of Every Problem

Ezekiel 1:1 (NKJV)

“Now it came to pass in the thirtieth year, in the fourth month, on the fifth day of the month, as I was among the captives by the River Chebar, that the heavens were opened and I saw visions of God.”

Highlight key: **green** = grace / spirit truth · **gold** = key promise · **bold** = key terms

Scripture opens with **open heavens** — not science-fiction time machines, but the ability to cross into the spirit realm, trace where a matter began, and align earth with what God has already settled. This study follows Ezekiel’s pattern: see, sit, pray, then reverse happenings at their origin.

Why You Must Trace the Origin — Spirit Doctor Logic

Step	What happens	Why it matters
1	Open heavens — see in the spirit (Ezekiel 1:1)	Without vision you treat symptoms only
2	Sit astonished seven days (Ezekiel 3:15)	Wait on God before you speak or act
3	Trace the origin — etymology of the wound	No fix without finding what caused it
4	Time travel in spirit — go back to missing pieces	Reverse happenings where they started

Step	What happens	Why it matters
5	Decree from the settled end	Prayer aligns present with God's finished word

- Fixing family, health, or finance in the spirit depends on locating **where the matter began**
- Like a physician, you ask: *What caused this? Who introduced it? What piece is missing?*
- If you cannot trace origin, you only manage symptoms — **spiritual time travel** goes to the root
- Ezekiel among captives at Tel Abib by the **River Chebar** — God meets you in crisis, not after comfort returns

Mark 3 — Stretch Forth: Trace the Hand to Its Origin

Mark 3:1-5 (NKJV)

“Stretch out your hand... He stretched it out, and his hand was restored as whole as the other.”

- Jesus did not treat the symptom alone — He addressed the **origin** of the withered hand through the word *stretch forth*
- The etymology of the wound matters: what caused the hand to fail? Who bound it? What piece of obedience is missing?
- Until you trace where the problem began in the spirit, you cannot decree lasting wholeness over the body

Isaiah 53 — Time Travel to See the Suffering Servant

Isaiah 53:1-2 (NKJV)

“Who has believed our report? And to whom has the arm of the Lord been revealed? For He shall grow up before Him as a tender plant, and as a root out of dry ground.

He has no form or comeliness; and when we see Him, there is no beauty that we should desire Him."

- Isaiah **travelled ahead in the spirit** and saw Jesus centuries before Bethlehem — no attractiveness in the flesh, yet the arm of the Lord revealed
 - Prophetic sight is not guessing — it is arriving where God already shows Christ, then reporting back to the present
 - Who has believed the report? Unbelief blocks the same time-travel access today
-

Moses Wrote Genesis — Seeing Creation He Never Walked

Genesis 1:2-3 (NKJV)

"The earth was without form, and void... and the Spirit of God was hovering over the face of the waters. Then God said, 'Let there be light,' and there was light."

- Moses was not present at creation — yet he wrote Genesis because God carried his spirit to **see what no man witnessed**
 - The same pattern applies: your spirit can be shown origins of family bondage, generational curses, or delayed blessings
 - He entered **thick darkness** where God dwelt — pavilions of darkness around glory, not absence of God (Exodus 20:21)
-

Visions That Arrive Before Events — Standing in the Future

Ezekiel 3:15 (NKJV)

"Then I came to them of the captivity at Tel Abib, who dwelt by the River Chebar; and I sat where they sat, and remained there astonished among them seven days."

- A true prophetic picture can show someone **before they physically arrive** — clothes, posture, setting — because you met them in spirit first
- Example pattern: seeing someone in a room before they knock — you did not receive a late vision; **you travelled to them** while they were still on the way

- Prophecy is not guessing the future — you stand where God has already placed the outcome and speak back to the present
 - Ezekiel saw living creatures in the open heaven while others thought he was merely at home — spirit location and body location can diverge (Ezekiel 1)
 - Unbelief blocks access: if you cannot receive the prophetic, you stay bound to slow, flesh-time only
-

Light, Distance, and Locating the Past

1 John 1:5 (NKJV)

“God is light and in Him is no darkness at all.”

- The light you walk in can be **old light** — centuries behind your true capacity in Christ
 - Distant observers see earth’s past because light from that era is only now arriving — a picture of how spirit can **locate your past** when it moves faster than flesh
 - Moses entered the **thick darkness** where God dwells — not because God is dark, but because human light could not survive His glory (Exodus 20:21)
 - Two people in the same room can see with different spiritual “light years” — one current in God, one still operating on expired revelation
-

Two Locations at Once — Mount Zion and Earth

Hebrews 12:22 (NKJV)

“But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem...”

- According to Scripture you already **are come** to Mount Zion — present tense — while your body sits on earth
- Carnality makes you more conscious of the chair than the throne; prayer reminds you: *you also operate from another realm*

- **1 John 5:13** — you may *know* you have eternal life now, not only will have it later
 - Dreams can be **scheduled meetings** in the spirit — councils on Mount Zion, not random brain noise
 - Satan sought the **north** because Scripture places God's dwelling there — spiritual addresses are real (Isaiah 14:13-14)
-

Prayer — Receiving What Already Exists Ahead of You

1 John 5:13 (NKJV)

"These things I have written to you who believe in the name of the Son of God, that you may know that you have eternal life..."

1 John 5:15 (NKJV)

"And if we know that He hears us, whatever we ask, we know that we have the petitions that we have asked of Him."

- Eternal life and answered prayer are **present tense** — know you have, not only will have
- If you need provision in 2026 but God has already set it in 2027, prayer aligns with what is already written
- Flesh-time runs on delayed light; spirit-time accesses the **alpha and omega**

Philippians 2:13 (NKJV)

"For it is God who works in you both to will and to do for His good pleasure."

- The hunger to pray for a husband, house, or harvest often originates from Him, not lack
- Seers ask *"Do you see it?"* — feelers ask *"Do you feel it?"* — both are valid when submitted to Scripture
- School dreams can mean you are operating on **old light** — revelation from years past while God has moved on

The Silver Cord — Travelling While the Body Rests

Ecclesiastes 12:6-7 (NKJV)

“Remember your Creator before the silver cord is loosed, or the golden bowl is broken, or the pitcher shattered at the fountain, or the wheel broken at the well... and the spirit returns to God who gave it.”

- Every person has a **silver cord** linking spirit to God — deeper prayer lengthens and strengthens it
- Ezekiel could be at home yet present in another location — witches copied this pattern from men who travelled like Ezekiel
- Waking tired may mean your spirit was active elsewhere while flesh slept
- Dreams carry **geography** — diaspora saints often dream their homeland; shallow cords keep you earth-bound only
- **Acts 8:39-40** — Philip was caught away after the Ethiopian eunuch; spirit transport, not walking speed

Ecclesiastes pictures the silver cord — your spirit can be active in heaven while the body rests on earth.

Words and Imagination — How You Time-Travel Daily

Genesis 1:3 (NKJV)

“Then God said, ‘Let there be light’; and there was light.”

- From Genesis to Revelation God’s primary tool is **speech** — words open realms and settle outcomes
- **Psalms 2:4** — He who sits in the heavens *laughs*; God’s supreme act beyond speech is sovereign laughter over opposition
- When you close your eyes and see yourself in the car, house, or healing you seek, you briefly **transport in thought**

- In heaven movement is often **by thought** — imagination submitted to Christ is alignment practice (Romans 8:26-27)
-

Discernment — Soil, Dreams, and Spirits That Hide

Revelation 2:20 (NKJV)

“Nevertheless I have a few things against you, because you allow that woman Jezebel, who calls herself a prophetess, to teach and seduce My servants...”

- Not every voice behind a pulpit is clean — discernment requires tracing **who allowed what** in the spirit
 - **Luke 8:2** — Mary had seven demons cast out quietly; **Mark 5** — Legion in a man was violent and loud; spirits manifest differently by vessel
 - Soil from a location placed on the tongue can open visions — spiritual investigation of land and covenant roots (like tracing origin)
 - Dreams may be scheduled councils; they may also be deception — test every realm by Scripture and Christ at the centre
-

The Takeaway

1. **Open heavens** (Ezekiel 1:1) — spiritual sight precedes earthly change
2. **Mark 3** — trace the origin; decree *stretch forth* over what withered
3. **Isaiah 53** — prophetic time travel sees Christ before He appears in history
4. **Moses / Genesis** — spirit shown creation and origins not witnessed in the flesh
5. Trace every problem to its **origin** in the spirit — no root, no lasting fix
6. Visions can precede physical events because spirit travels ahead of the body
7. Walk in **current light** — old revelation keeps you centuries behind your inheritance
8. You already **are come** to Mount Zion while seated on earth (Hebrews 12:22)

9. **1 John 5:13-15** and **Philippians 2:13** — know you have; God works the will to pray
 10. **Ecclesiastes 12:6** — silver cord, bowl, pitcher, wheel; **Acts 8** Philip caught away
 11. **Psalm 2:4** — God laughs; **words** from Genesis to Revelation settle realms
 12. Discern Jezebel spirits, soil visions, and dreams by Scripture — Christ at the centre
